**The Complete Zimiamvia (Zimiamvia)** E. R. Eddison

The classic epic trilogy of parallel worlds, admired by Tolkien and the great prototype for The Lord of the Rings and modern fantasy fiction. Also includes The Worm Ouroboros.

When Tolkien's The Lord of the Rings was published, reviewers saw that there was only one author with whom he could legitimately be compared: Eric Rucker Eddison (1882-1945). He met both Tolkien and Lewis, and was cited by both as the game-changer in fantastic literature and a key influence on them. His two principal works – the sprawling and opulent fantasy trilogy Zimiamvia (which has been favourably compared to Mervyn Peake's Gormenghast) and the earlier hedonistic The Worm Ouroboros (a cross between H.P. Lovecraft and Lord Dunsany) – put Eddison up among the masters of his craft. Admirers including Ursula Le Guin, Robert Silverberg and Clive Barker have all lined up to praise his books.

This complete eBook edition includes the three books of the Zimiamvia Trilogy - Mistress of Mistresses, A Fish Dinner in Memison, and The Mezentian Gate, together with the epic prelude novel The Worm Ouroboros.
