The Other Reformers: A Devotional History of the Anabaptists and Early Baptists ("I Will Build" Biography Series Book 2) John M. Wiley

In the first title of the "I Will Build" Biography Series, John M. Wiley analyzed several figures of the Early Church. For the second book in the series, he has constructed a narrative that includes two movements: the Anabaptists and the early Baptists.

While several books have been written in the last several decades on both movements, some from professional historians and others from historically-minded pastors and Christian leaders, there appeared to be a need for a book to look at both the Anabaptists as well as the Baptists, which would offer both a historically-critical and spiritually-sensitive interpretation. Following each chapter, the author has supplied discussion questions, which can be used for small groups or personal evaluation.
