By Khaled Hosseini And the Mountains Echoed (Unabridged) [Audio CD]

An emotional, provocative and unforgettable novel about how we love, how we take care of one another, and how the choices we make resonate through generations. The story begins with the heartbreaking, unparalleled bond between two motherless siblings in an Afghan village. What happens to them--and the large and small manners in which it echoes through the lives of so many other people--is proof of the moral complexity of life.
