John Corner

Critical Ideas in Television Studies (Oxford Television Studies) John Corner

This important book is the first to offer a systematic review of the ideas which have been most influential across a full range of television criticism and research from the first pioneering studies to the most recent theory and analysis. It provides a general and accessible critical survey of writing, research, and debates about television. John Corner has organized the book into ten cross-referenced chapters covering both the humanities and the social science approaches.
