International Law

Malcolm Evans

International Law Malcolm Evans

International Law is widely celebrated as an outstanding collection of interesting and diverse writings from the leading scholars in the field. Bringing together a broad range of perspectives on all the key issues in international law, it is a unique and invaluable resource for students and practitioners alike.

Featuring specially commissioned essays written by those actively involved in teaching and practice, the third edition succeeds both in explaining the principles of international law and exposing the debates and challenges that underlie it. Now fully revised and updated, it continues to provide an authoritative and stimulating overview of this increasingly important subject; revealing international law in its full diversity.

The third edition of *International Law* is accompanied by a new Online Resource Centre, featuring the personal views and recollections of eminent international law practitioners.
