Leave This Place Spike Black

Silas wakes with a start in the middle of the night, feeling a suffocating sense of unease -- as if he's being watched. His wife is asleep. He scans the bedroom of their rented holiday cottage, a spooky and unfamiliar place.

He makes out something in the dark. On the chair in the corner of the room. *What the...?* He's mistaken, surely. It's his over-active imagination. A trick of the moonlight. *No.* Someone's there - an old man. Sitting there, staring back at him. With a terrifying grin on his face...

Featuring two characters in one location over the space of three days, *Leave This Place* is a stripped down, unnerving tale of quiet horror from the mind of supernatural thriller author Spike Black (*Don't Look Inside*).
