Survival of the Fittest: How the Future of Union Construction Depends on Every Journeyman, Mark Breslin

Apprentices are the future of our industry, and both Union Leaders and Contractors report that there are challenges in regards to the attitude, work ethic, and appearance of many new apprentices. With an investment of tens of thousands of dollars in each of these apprentices, and as our future rides on their success, we have to focus on more than skills. It is crucial that the success, growth and future of union construction are in his or her hands.

This book has been written for the largest and most important group in our market recovery team.
