## **The Information** Martin Amis

Fame, envy, lust, violence, intrigues literary and criminal--they're all here in **The Information**. How does one writer hurt another writer? This is the question novelist Richard Tull mills over, for his friend Gwyn Barry has become a darling of book buyers, award committees, and TV interviewers, even as Tull himself sinks deeper into the sub-basement of literary failure. The only way out of this predicament, Tull believes, is the plot the demise of Barry.

"With **The Information**, Amis delivers a portrait of middle-age realignment with more verbal felicity and unbridled reach than [anyone] since Tom Wolfe forged *Bonfire of the Vanities*."--*Houston Chronicle*
