Just suppose that tonight while you sleep, a miracle happens. When you awake tomorrow morning, what will you see yourself doing, thinking, or believing about yourself that will confirm that a miracle has taken place in your life? "The Miracle Question" is a step-by-step approach for people who feel 'stuck' and overwhelmed by their life. It offers methods for tapping into sources and resources we already have-called 'exceptions.' 'Exceptions' are the good things we have learned from past experiences but have perhaps forgotten about, or situations that went well for us in the past, but over time got pushed aside. By understanding that our day-to-day problems have eroded our confidence, we can discover that our abilities have simply been in limbo, ready to use as solutions.
