Learning and Instruction: Theory into Practice (6th Edition) Margaret E. Gredler

This comprehensive text takes a models approach by presenting separate chapters on individual theorists and perspectives. Within this well-organized structure, Gredler offers meticulously accurate coverage of contemporary learning theories and their application to educational practice—including issues of readiness, motivation, problem-solving, and the social context for learning. Key content include increased emphases on the contributions of neuroscience and of Vygotsky's work.
