Ten Things I Have to Tell You: An Autobiography of Perseverance Andrew J Beard

From "Ten Things I Have to Tell You: An Autobiography of Perserverance" by Andrew J Beard "I am a traveler, an observer, a storyteller of life and my soul-wrenching failures have also been surrounded by moments of great success. My feet have climbed to the height of the mountain then carried me to the depth of the valley before emerging from the uncertain wilderness. Through all of this I have persevered and tried to make a positive impact on this world and live my life as an honest individual. All of this happened while seeking to more completely know Jesus, the ultimate source of grace and acceptance in my life." Though Andrew J Beard grew up in Kansas City, Missouri, he has lived in many different places: the Cayman Islands, Minnesota, southern Oregon, and now the Los Angeles area. Professionally he has spent the last twenty years in music either as a performer, educator, music missionary, worship leader, singer-songwriter, band leader, music retailer, or music equipment developer. These diverse experiences have shaped his understanding of life and given him a unique insight into the everyday struggles people of all ages endure. His ability to passionately communicate now extends to the blog he started in April 2013 and the publications he creates. Andrew is an Author, Instigator, Encourager. AUTHOR – Through a blog, books, articles, and anything else he can create, Andrew will use words to help others INSTIGATOR – Andrew wants to instigate change both in his own life and in those who would listen to him ENCOURAGER – By sharing his life Andrew hopes to encourage those who cannot put a voice to their struggles and may be close to giving up
