The Watchers: Dead Sea Trilogy (Volume 1) Ashley Jensen

Emergency Room doctor Brian James stared down at the lifeless body on the stretcher. It seemed to be just another unfortunate death in the hospital, but for Brian it was a corpse that was about to send him spiraling into a world of deadly assassins, cryptic cults, and otherworldly beings. In a desperate struggle to stay alive and uncover the secrets of a hidden civilization, Brian is thrust into an uneasy alliance with the beautiful and mysterious Aella. Together they must use science, determination, and clues buried within the Dead Sea Scrolls to uncover a centuries-old secret before they become the expert assassin's next victims.
