Description of Catholic vs. Protestant

The Stigmata & Padre Pio is a Christian book with chapters on phenomenon like the stigmata and controversial issues that often get no press or the wrong information. There are some major differences between Catholic and Protestant viewpoints of Christianity. What is the stigmata & Padre Pio? Pio (Catholic priest) is not well known among Catholics, much less Protestants. The Stigmata is a stunning and supernatural phenomenon where living saints bleed and suffer pain regularly through the same wounds as Christ. Padre Pio is not the only stigmatist. Theresa Neumann and Padre Pio are two modern stigmatists whose wounds were verified by photographs and medical examinations. Before 1900, as many as 320 stigmatists (besides Francis of Assisi) were documented by a French doctor. It is not a fluke or rare phenomenon, more have occurred since then. The difference of Catholic vs. Protestant can be vastly significant here. Some believe the bleeding and suffering is “not of God” in spite of evidence from photographs and medical examinations. They contend it is not God’s will that we have to suffer because Christ did it all for us...there is no redemption in our suffering. The difference of Catholic and Protestant boils down to authority...the Bible or the Church. How we got the Bible was from the Church, not vice versa. Belief, by Catholics in the real presence of God in Holy Eucharist is also a major difference. The vast majority of Protestants believe Christianity is based upon the Bible and everything we need to know is there. Holy Eucharist seems skipped over in Scripture or discarded by Protestants. Fortunately the view of the Catholic on abortion is frequently agreed upon by Protestants. Authority: Protestants believe the Bible is the only authority for Christians. Historical evidenced and the Bible itself contradict this. What is the Word of God (Bible) and where and how we got it needs explanation regarding “authority”. Other issues covered are: spirit soul & body...the essence & dynamics of man, how to be filled with the Holy Spirit, how Christians can also have demons. Catholic symbols (statues), the uncorrupted body of saints, guidance from God, spiritual tools of God, fear vs. faith, devotion to Virgin Mary and eleven dimensions of God vs. our four. To summarize: differences between catholic vs. protestant, what is the stigmata, what is the Word of God, how we got the Bible, fear and faith contrasted, hearing God for guidance, how to be filled with the Spirit, spirit, soul & body interaction, the Catholic on abortion, and Holy Eucharist. There are many differences between Catholic and Protestant even though both are Christian and believe there is no salvation except through Christ. The book is a potpourri...a collection of different subjects. Links to other sources are throughout the book.
