## **Christian Faith and the Truth behind 9/11: A Call to Reflection and Action** David Ray Griffin

Probing disturbing questions that beg for a response from the Christian community, distinguished scholar of religion and popular writer David Ray Griffin provides a hard-hitting analysis of the official accounts of the events of September 11, 2001. A tireless investigator, Griffin has sorted through enormous amounts of government and independent data and brought to the surface some very unsettling inconsistencies about what really happened. In this, his latest book, he analyzes the evidence on 9/11 and then explores a distinctively Christian perspective on these issues, taking seriously what we know about Jesus' life, death, and teachings. Drawing a parallel between the Roman Empire of antiquity and the American Empire of today, he applies Jesus' teachings to the current political administration, and he explores how Christian churches, as a community intending to be an incarnation of the divine, can and should respond.
