**Creative Community Planning: Transformative Engagement Methods for Working at the Edge (Earthscan Tools for Community Planning)** Wendy Sarkissian, Dianna Hurford, Christine Wenman *Creative Community Planning* provides clear access to emerging innovations in artistic, narrative, embodied and technological methods. Reflecting on the wide continuum of participatory practice, the authors explore the frontiers of community engagement within a fresh sustainability framework. Leading planning theorists, researchers and practitioners in the field reflect with the authors on the many successes and challenges in engaging with a diversity of people in rural and urban communities. These conversations reveal creativity as key to enhancing existing engagement practices. Concepts and practical applications thread through the book, including community visioning, participatory research and reporting, conflict resolution, poetry and planning language, theatre, photography, film and websites.
