Heart Search (A Celta Novel) Robin D. Owens

Laev T'Hawthorn -- one of the highest nobles in the land -- must rebuild his life after a devastating mistake. He married a woman he believed was his HeartMate, only to learn she was a greedy social climber. She callously used him, stealing his family heirlooms. He is determined to reclaim all that he has lost -- beginning with his self-respect.

Abandoned at fifteen, Camellia Darjeeling values her independence above all. She's fought to establish her own businesses -- elegant tearooms -- only to have her father and uncle re-enter her life. They emotionally scourge her and extort money. Trusting men, even her HeartMate, is too risky.

When Laev and Camellia meet, they refuse to acknowledge that they are true HeartMates. After her shady relatives are implicated in the theft of Laev's property, Camellia and Laev's lives become ever more entangled bringing each to the brink of despair and passion...and a destiny they can no longer avoid.
