Reagan, In His Own Hand: The Writings of Ronald Reagan that Reveal His Revolutionary Vision for America (Biography)

Hidden in the archives of the Ronald Reagan Presidential Library for more than a decade, the writings contained in *Reagan, In His Own Hand* redefine the way we think about American history of the past quarter century and about the fortieth American president. By revealing an active mind wrestling with the problems of a sluggish economy, social pathologies, welfare reform, and the Cold War struggle with the Soviet Union, these never-before-seen documents, many reproduced in his own handwriting, prove Reagan to be both the visionary and intellectual powerhouse behind his administration's landmark policies.
