Rome: Its Rise and Fall: A Text-Book for High Schools and Colleges (Classic Reprint) Philip van Ness Myers

Excerpt from Rome: Its Rise and Fall: A Text-Book for High Schools and Colleges

This book has been written in response to requests from many teachers that the author should expand his little textbook on Roman history into a more extended account of Roman affairs. Although the entire narrative has been laid on the lines drawn in the earlier book, still the present volume is practically a new work. The development of the Roman constitution during republican times has been traced carefully step by step; while special emphasis has been laid upon the causes that undermined the institutions of the republic, and which later brought about the fall of the empire. A somewhat larger space than usual has been given to the decay of paganism and to the rise and progress of Christianity in the empire. Three chapters at the end of the volume are devoted to an account of Roman civilization. The whole work is bound together with numerous cross-references from paragraph to paragraph, and the text supplemented by maps, illustrations, chronological tables, lists of colonies and provinces, census rolls and tabulated statements, which, it is believed, will be found especially serviceable to both teachers and students.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
