That Lady Sitting Across The Room From You Sipping On Her Latte...The Man Sitting Next To You On The Plane...The Person Next To You Who Is Also Standing At The Crosswalk...And To Have The Ability To Turn This Conversation Into A Long-Term Friendship...

That is exactly what this book is about. You will be taken step-by-step so that you will have the ability to start a conversation with anyone, never run out of things to say, and most of all turn that conversation into a lasting friendship.

About 7 years ago, after my 5-year relationship ended, I felt it was confused and like I had lost my ability to connect with others. The simple thought of talking to someone new gave me chills down my spine. I was afraid to talk to people because I thought I would be perceived as boring and run out of things to say. Then I woke up one day and thought to myself; we are all human, we all have fears and the only way to overcome the fears is to take action - so I went out into the world and experimented. Over the next few months, I talked to thousands of people, had thousands of meaningful conversation that have turned into long-lasting friendships. I learned the secret of *how to talk to anyone*, and I want to share it with you because I've learned is that the ability to connect and fully understand other people is by far the most powerful tool you can have in life.
