Good News About Satan: A Gospel Look at Spiritual Warfare Bob Bevington

For authentic Christians, the bad news of Satan and the kingdom of darkness, while serious, is overshadowed by the good news of Jesus and the Kingdom of God.

Yes, there is a cosmic clash. Yes, we are in the middle of it. Yes, we need to become equipped to recognize and resist the enemy.

But those who are united to Christ by genuine faith need not fear Satan. Not now. Not ever.

The truth can be summed up in this simple statement: The good news about Jesus, the victorious one, far outweighs the bad news about Satan, the evil one.

Good News About Satan is a short, reader-friendly text that cites no extra-biblical sources. Instead, it walks the reader through the plain teachings of Scripture regarding Satan, demons, and spiritual warfare, at all times from an explicitly gospel-centered perspective that exalts the sovereignty of God and the finished work of Christ as paramount. Because of this focus, the book, while treating our enemy soberly and seriously, is devoid of the unfruitful speculations and illegitimate extrapolations so common to this topic. For these and other reasons, we believe this book differs significantly from nearly every other book on the subject.
