The Collected Poems: A Bilingual Edition (Revised)

Federico García Lorca

The Collected Poems: A Bilingual Edition (Revised) Federico García Lorca

A revised edition of this major writer's complete poetical work

And I who was walking
with the earth at my waist,
saw two snowy eagles
and a naked girl.
The one was the other
and the girl was neither.
-from "Qasida of the Dark Doves"

Federico García Lorca is the greatest poet of twentieth-century Spain and one of the world's most influential modernist writers. Christopher Maurer, a leading García Lorca scholar and editor, has substantially revised FSG's earlier edition of the collected poems of this charismatic and complicated figure, who-as Maurer says in his illuminating introduction-"spoke unforgettably of all that most interests us: the otherness of nature, the demons of personal identity and artistic creation, sex, childhood, and death."
