The Detective Games Zechariah Barrett

Leor is a simple detective. A gentleman, at that. His case record is pristine and loose ends are something he scoffs at. Until he meets Joe Holmes. Then Jean. He finds one detective after another is after the same singular thread. He speculates that this thread is one of many, a portion of strings with one great orchestrator whose motive is malevolence. As ambiguity grows and the danger is heightened, Leor wonders if this is one case he should've left in his past. For now, it threatens his future. In this first serial: "Trial by Firefight", the story truly begins. Leading up to and past the events of the teaser, Leor seeks the truth surrounding his previous case, that of "Désolé Mansion." But when his investigation leads to a fight for his life, Leor realizes he's gotten in too deep.
