Pregnancy and conception are a program written by God; the baby is born and knows when to suck in air, even though he or she has been surviving via the mother's placenta for the months he has spent in the womb. No one teaches him how to start breathing; it comes naturally. He keeps growing and knows when to roll over, when to sit, crawl, stand, walk, and run. It's incredible to watch and awe-inspiring. It's the same for pregnancy: It is a process specially manufactured by God to replenish mankind through the generations. It is a sacred program in God's laboratory-the masterpiece of God's creation. It is not meant to bring heartbreak, sorrow, or pain. If it does, it is malfunctioning and there is a reason why. *Waiting to Conceive* walks you through the answers to a great question: Why?
