Litigating Products Liability Class Actions: Leading Lawyers on Interpreting Recent Decisions, Assessing a Case's Validity, and Preparing for Trial (Inside the Minds) Multiple Authors

Litigating Products Liability Class Actions provides an authoritative, insider's perspective on key strategies for successfully representing clients in products liability class action lawsuits. Featuring partners from some of the nation's leading law firms, these experts guide the reader through the process of collaborating closely with clients to develop a successful litigation strategy. These top lawyers offer their advice on collecting key evidence, choosing and preparing expert witnesses, and determining whether to settle or bring a case to trial. From studying the product and its users to managing the entire discovery process, these authors stress the importance of conducting comprehensive groundwork before fully forming an argument. Additionally, these leaders discuss relevant decisions and upcoming trends impacting products liability class actions. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to success within this ever-evolving area of law.

Inside the Minds provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities.
