Scar Tissue (Ensemble Trilogy) (Volume 1) Rosetta M Overman

If there's one thing Aya Morrison knows, it's how to knock someone dead with her voice. Alongside her brother, she is a force to be reckoned with. But when tragedy strikes, Aya's voice is a scant whisper. As time passes, she manages to piece her life back into some semblance of normalcy. All of her progress is threatened when, after meeting the handsome man next door, her world is once again turned upside down. But if there's one thing Aya has learned, it's how to plow on when life tries to drag her down again. When past scars open up and start to bleed, will there be anyone to help her piece her life together again, or will she be on her own to fight against the darkness of her own fears?
