A History of X: 100 Years of Sex in Film Luke Ford

This first comprehensive and most in-depth history of cinematic pornography details sex in film from 100 years ago to today, concentrating on the quarter-century since *Deep Throat*, when pornography became a subject of popular culture.

Insightful, entertaining, and bold, *A History of X* takes us from the primitive film studios of the 1900s, where porn got its start as a daring experiment in sexual freedom, to the closed-door, multi-million-dollar porn-film corporations of today. Ford includes exclusive interviews with the stars, the producers, and the distributors as well as detailed data on censorship attempts from the early days to the present. The author documents the controversial careers of top porn stars Marilyn Chambers, John Holmes, Linda Lovelace, Harry Reems, Gerard Damiano, Georgina Spelvin, Traci Lords, Max Hardcore, Ginger Lynn, and others, revealing both the great benefits and the tragic consequences that often come from fame and fortune in the porn industry.

He also discusses the many controversial aspects to the business, including Mafia influences, the impact of the AIDS epidemic on the industry, and the myths and realities behind child pornography.

Extensively researched and documented, *A History of X* is a fascinating expose of a business few dare to touch.
