Creating Inclusive Classrooms: Effective and Reflective Practices, Student Value Edition (7th Edition)

Spencer J. Salend

Creating an inclusive classroom means understanding federal legislation as well as national and state standards, but the practical and streamlined seventh edition of *Creating Inclusive Classrooms: Effective and Reflective Practices* recognizes that it means more than that. This text goes beyond the typical inclusion text, translating theory and research into practices you can use in your inclusive classroom by illustrating the principles of effective inclusion through classroom scenarios, online footage, and successful strategies. The text has the most current vision of today's inclusive classroom, which truly helps you create a successful educational experience for *all students*.

New to This Edition:

Expanded and latest research on universal design for learning (UDL), autism spectrum disorders, co-teaching arrangements, instructional technology, differentiating instruction, Positive Behavioral Supports, student diversity and motivation, fostering students' literacy and mathematics learning, research-based teaching strategies, assessing and grading students in inclusive classrooms, teaching and testing accommodations, building social relationships and implementing IEPs in inclusive classrooms. This Student Value Edition is a three-hole punched, loose-leaf version of the textbook and provides students the opportunity to personalize their book by incorporating their own notes and taking only the portion of the book they need to class – all at a fraction of the bound book price.
