The DEAD box set Vol 3 contains the third 3 books of the DEAD series (Reborn, Darkness Before Dawn, and Spring)

The DEAD saga continues...

Winter is losing its grip. For Billy and the survivors who began the nightmare, the loss of Steve Hobart is devastating, but could they finally be finding a place to truly call home? Kevin resumes his original quest for a safe place in the Badlands of the Dakotas, but with a whole new gang. However, they stumble across another group of survivors and face a new dilemma. Do you try to save others at the risk of those you know and love? Around the world, small bands of survivors fight to carve out a place for themselves, whether it is Sauvie Island or the British Isles...the struggle is the same. More horrors await, but with it, the first children of this new world bring hope... DEAD: Reborn

Winter has gone, but the world is no less inhospitable.

The survivors of this first winter now face some of the darkest and most soul-wrenching choices thus far.

From the outskirts of London to an island refuge in Oregon, small groups struggle to build a new life.

Kevin recovers to a realization that shatters his dreams, yet he must stand up and take the role of leader...or die trying. His followers, now largely consisting of juvenile delinquents and society cast offs need him. Can he shake loose from his own misery to be their salvation?

Billy must decide what sort of life he wants to forge. Has he been following blindly and gone down the wrong path? And has Dr. Zahn finally discovered the mystery of the zombie children? ... DEAD: Darkness Before Dawn

Everything hangs by the thinnest of threads. In a DEAD world, nothing is certain and nobody is safe. Friends have fallen, some enemies have been defeated only to be replaced by yet another. As the first year of the zombie apocalypse ends and a new year begins, can a person hope that the coming of spring can be a starting point for re-birth? If not...then what is the point of trying to survive? Fates will be sealed and destinies decided as winter finally fades, the darkness recedes and gives way to... DEAD: Spring
