The Enforcers Cometh

The moment my hand touched the handle, I felt Quaid enter the back yard, just like always. But if it wasn't him on the other side of the kitchen door, who was? I pulled it open on reflex, still smiling, to find three black robed Enforcers looming in the darkness.

They didn't wait for me to stand aside but muscled their way in. The leader, a woman with familiar features if not a face I knew personally, took a stand in the middle of the kitchen, body shimmering with blue power as the wards of the house tried to repel her.

"We've come for Miriam Hayle," she said. "Your leader is under arrest."

Syd's life is finally settled. She's even going on her first date with Quaid. That calm is shattered when a group of High Council Enforcers arrive and arrest her mother on countless charges. Desperate to defend Miriam, Syd calls on all of her family's allies, even seeking out those she should probably leave in peace. Certain the Dumonts are behind the whole thing, Syd is shocked to discover there is much more to this attack on her coven, an attack led by an old enemy who holds Miriam's life in her hands.
