~Editor's Pick~

Billionaire Alex Roman needs a bodyguard. His best friend, Jesse Emerson, an ex-Security Forces Specialist, needs a job. What could possibly go wrong?

Jesse thinks protecting Alex will be a piece of cake. He'll get to spend quality time with his oldest friend while avoiding his ex-girlfriend. Of course, nothing ever goes as planned. Why would Alex introduce him to everyone as his lover? And why didn't Alex tell him about the threatening notes he's been receiving for months?

Alex has been in love with Jesse for years, not that he'd ever admit it to his best friend, but he's not above making a practical joke out of it. Telling everyone that Jesse is his boyfriend will go a long way toward relieving the stress of the threats he's been plagued with recently. Unfortunately, when someone tries to shoot him at a charity gala, he discovers that maybe he needs Jesse's skills more than he realized...

...because sometimes a billionaire's best friend is the fake boyfriend who's really his bodyguard.
