The Father (Dover Thrift Editions)

August Strindberg

The Father (Dover Thrift Editions) August Strindberg

Many experiences in the personal life of dramatist August Strindberg involved duels between the sexes, with ruthless, aggressive women usurping the supposedly male prerogatives of decision-making and leadership. Strindberg explores this theme in depth in *The Father* ? a highly emotional study of marital upheaval and a no-holds-barred struggle between man and woman. One of Strindberg's best works, the stage play remains one of the most gripping psychological dramas of modern theater. Biographical Note.
