The Kiss Box Bonnie Verburg

A reassuring story about separation and love

In this soothing love story between mother and child, Mama Bear offers various vessels to contain their love while they are apart--but none seem right. It's not until Little Bear suggests that they make each other a Kiss Box--filled with a hundred kisses--that they are able to stay connected--no matter where they are.

Whether it be an errand to the grocery store, a business trip, or the first day of school, this is a tender reminder that we are always together where it matters most: in our hearts.
