Union General John A. McClernand and the Politics of Command

Christopher C. Meyers

Union General John A. McClernand and the Politics of Command Christopher C. Meyers

John A. McClernand was a career politician, and those ambitions and qualities continued during his Civil War service. A member of the Illinois General Assembly and a U.S. Representative for 10 years, McClernand was connected to other prominent figures of the time such as Abraham Lincoln and Stephen Douglas. However, he is best known for his rivalry with Gen. Ulysses S. Grant, and this biography balances McClernand's political career with his military leadership and his place in the Union command structure.
