## **Stripping Gypsy: The Life of Gypsy Rose Lee** Noralee Frankel

Whenever stripper Gypsy Rose Lee encountered public criticism, she spoke frankly in her own defense.

"Thousands have seen me at my--ah--best; and thousands have made no objections."

Noralee Frankel's lively biography, *Stripping Gypsy*, the first ever published about the highly mythologized Gypsy, examines the struggles Lee faced in making a lucrative and unconventional career for herself while maintaining a sense of dignity and social value. Frankel shows that the famous Miss Lee was an enigma, clearly struggling with her choices and her desire to be respected and legitimized. Those who know Gypsy Rose Lee only from the musical and film based on her rise to stardom will be surprised by what they uncover in *Stripping Gypsy*. In all ways, Lee trafficked in the incongruous: she was at once sex object, intellectual, and activist. In addition to her highly successful strip-tease act and film career, she published two mystery novels and a memoir, wrote two plays, and showed her original artwork in famed Modern Art-impresario Peggy Guggenheim's gallery. Lee also gained notoriety for her participation in liberal politics. As photographer Arnold Newman said, "She was a lady, a brilliant, bright woman who was the friend of many writers and intellectuals." Though she wasn't above using her femininity to full advantage, Lee aspired to much more than admiration for her physical beauty.

Frankel places Lee's life in social and political context while detailing a fascinating entertainment career, in which Lee created and recreated her own identity to fit changing times. Frankel's biography transcends the sensationalism of stripping and asks the public to see the woman beneath the costume, a woman who always kept a little of herself shrouded in mystery.

Therefore , not at all of book are make you bored, any it makes you feel happy, fun and relax. Try to choose the best book for you personally and try to like reading that.

#### **Jacqueline Britt:**

As a student exactly feel bored to reading. If their teacher questioned them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's internal or real their interest. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Stripping Gypsy: The Life of Gypsy Rose Lee can make you feel more interested to read.
