Wicked Prey John Sandford

Having spent the past two years in hiding following a daring and successful heist, a big-time robber is back in Minneapolis, having spotted the opportunity for an even greater steal. It's two weeks before the big Republican party convention: thousands of people spending cash, which is flowing into a relatively inadequate Brinks warehouse, protected by a mere three or four armed guards. The robber's plan is to distract the cops by manipulating and alerting them to a possible assassination attempt. Lucas Davenport meanwhile has problems of his own, targeted by a psychopathic pimp, who blames Davenport for the fact he's in a wheelchair. Only it's not Davenport he's going after; it's his innocent daughter, Letty.
