Winning with Small Business (Small business success) Bill FitzPatrick

A course on entrepreneurship emphasizing the style and attitudes necessary to succeed. The course follows three fictional characters from the day they decide to become independent businesspersons to the day their businesses open. This book will help you decide if you are one of the many people with the ability to acquire wealth through ownership of your own small business, or through commissioned sales. If you already own your own business, this course will help you to realign your present strategies from a new entrepreneurial perspective. Your business will be re-energized. If you work for someone else, the entrepreneurial skills you gain and apply will make you stand out from your peers.
