When my son was in NICU I wished so much for some sort of ‘How To’ or guide to give me an idea of what was going on and what I was supposed to do. It is because of this I decided to give you that guide. I have collaborated with many NICU parents in the creation of this eBook and spoken to people all over the world in regards to their NICU experiences. This isn’t a book that is focused on preemies – it is a guide for parents of ALL NICU babies.
