Twenty-four-year-old Timothy is far from his home country of Canada when his new wife dies in childbirth. Stunned, he finds himself alone with his newborn son in the mountains of North India and no idea of what it means to be a father. He begins a journey through India with his baby, seeking understanding for loss and life and the way the two intertwine. Set among the stunning landscapes, train tracks, and winding alleys of India, *A Traveler's Guide to Belonging* is a story about fathers and sons, losing and finding love, and a traveler's quest for meaning.
