Acid Connections (Part 1) Deanne T Smith

Tavares is a beautiful young lady. She has survived a tough life in Boston, choosing to be a survivor, not a victim. She is smart, down to earth, and humble after being parentless, raped and homeless. Her only flaw is that she is loyal—to a fault. Her loyalty won't allow her to leave the man who doesn't deserve her.. Damien took her in, raised her, and gave her life when she had nothing or anyone, so her loyalty won't let her leave him, no matter how much he hurts her. That is until she meets Abdora. He is an extremely handsome, gangster with a romantic side, who gives Tavares a reason to smile. He shows her that good men still exist. Abdora tempts her more and more to leave her boyfriend, but her loyalty won't allow it. Fate is closing in on her—so she has to wake up, and wake up fast.
