eLeadership: Proven Techniques For Creating An Environment Of Speed And Flexibility In The Digital Economy Susan Annunzio

What if the rules that made you successful were the cause of your current problems?

What if the name of the game was personal fulfillment rather than power and wealth?

What if the biggest threat to your company's future was employee dissatisfaction?

What if you could eliminate friction between baby boomers and younger workers?

What if the answer was eLeadership?

From on the world's leading management consultants comes a dynamic new style of leadership that will enlighten and inspire executives to rethink and retool their companies for the eWorld.

With business practices changing on a daily basis, companies must create environments of speed and flexibility that will engage today's employees and allow radical ideas to thrive -- because only those companies that move first and innovate fast will reap the financial rewards the eWorld has to offer.

Through dozens of real-world examples of eLeadership in action, Annunzio proves that the greatest opportunity to make a difference in corporate America today may be in attacking traditional priorities in unconventional ways.
