Cat Bordhi

Personal Footprints for Insouciant Sock Knitters (New Pathways for Sock Knitters) Cat Bordhi

In 2008 Cat Bordhi, ground-breaking sock designer and author of *Socks Soar on Two Circular Needles* and *New Pathways for Sock Knitters, Book One*, set herself the challenge of developing a sock knitting process that would be as simple as humanly possible without sacrificing fit or design. This is that book. Personal Footprint socks are worked 100% in the round (no back and forth on heels), no stitches need picking up, toe and heel are replaceable, there is no arithmetic, the surface is fully available for designs, the socks are easily worked two-at-a-time, and the knitter creates a very compact, portable sock pattern that can fit in any little sock bag for portability.
