Tacitus

The Annals & The Histories (Modern Library Classics) Tacitus

Cornelius Tacitus brilliantly chronicles the moral decline and rampant civil unrest in the Roman Empire in a period when the earliest foundations of modern Europe were being laid. *The Annals* commence in a.d. 14, at the death of Augustus, recounting the reigns of Tiberius, Gaius (Caligula), Claudius, and Nero, and conclude in a.d. 68, the year of Nero's suicide. *The Histories* document the tumultuous year a.d. 69, when Emperors Galba, Otho, and Vitellius all perished in quick succession, ushering in Vespasian's ten-year reign. According to historian Will Durant, "[We must] rank Tacitus among the greatest. . . . The portraits he draws stand out more clearly, stride the stage more livingly than any others in historical literature." This Modern Library Paperback Classic includes newly commissioned endnotes.
