Egypt: An Extraterrestrial And Time Traveler Experiment

Dr. Bruce Goldberg

Egypt: An Extraterrestrial And Time Traveler Experiment Dr. Bruce Goldberg

This book is a sequel to Dr. Goldberg's Time Travelers from Our Future, and depicts the significance of Hermes, the very first time traveler, on both Egypt's development and our planet's heritage. According to Dr. Goldberg's case histories and research, Egypt developed from four sources: Lemuria(Mu), Atlantis, ETs and time travelers.

One of the most dramatic chapters deals with Hermes' role as Moses' advisor and rewrites the history of the Exodus by demonstrating that the original jewish people were Egyptians! Archeological and historical evidence are presented to support this argument.

Several self-hypnosis exercises are presented to guide the reader into their own past lives, out-of-body travel and training them to contact these time travelers.
