At least she can be herself with her boyfriend and literal soulmate, Rigel. Whenever they're together, it's easy to forget the responsibilities that will eventually come with her new status. But when a new boy arrives at Jewel High, everything M thought she knew about herself and her future is turned upside down. Now the very destiny that lifted her from obscurity threatens to tear her away from Rigel and their happy ever after. When two planets conspire against you, where is there to run?
