Teaching Children to Write:Constructing Meaning and Mastering Mechanics Daniel Meier

In his latest book, Daniel Meier highlights the critical importance of integrating content and mechanics for successful and engaged writing at the K-4 level. Featuring the teaching philosophies and strategies of seven exemplary teachers, and a discussion of relevant research and theory, Meier provides a fresh, practical, and much-needed perspective on making writing meaningful and effective in the current standards-based era. Written by an experienced teacher and researcher, this book will be of interest to both new and veteran teachers, as well as curriculum coordinators, literacy coaches, and researchers on writing.
