The Flu Season and Other Plays Will Eno

“Will Eno is one of the finest younger playwrights I have come across in a number of years. His work is inventive, disciplined and, at the same time, wild and evocative. His ear is splendid and his mind is agile.”—Edward Albee

“An original, a maverick wordsmith whose weird, wry dramas gurgle with the grim humor and pain of life. Eno specializes in the connections of the unconnected, the apologetic murmurings of the disengaged.”—*Guardian*

Winner of the 2004 Oppenheimer Award for best New York debut by an American playwright, *The Flu Season* is a reluctant love story, in spite of itself. Set in a hospital and a theater, it is a play that revels in ambivalence and derives a flailing energy from its doubts whether a love story is ever really a love story.

Will Eno has been called “a Samuel Beckett for the Jon Stewart generation” (*New York Times*)—he is a playwright with an extraordinary voice and a singular theatrical vision. Also included in this volume are *Tragedy: A Tragedy* and *Intermission*.

Will Eno is the author of *Thom Pain* (*based on nothing*), which ran for a year Off-Broadway and was a 2005 Pulitzer Prize finalist. Other works include *Oh, the Humanity and other good intentions*, *The Flu Season*, *Tragedy: a tragedy*, and *Intermission*.
