Joe Kort

10 Smart Things Gay Men Can Do to Find Real Love Joe Kort

The author of the best-selling *10 Smart Things Gay Men Can Do to Improve Their Lives* turns his attention to the burning question of love. “There are few books for gay men on not only what to look for in Mr. Right but how to become Mr. Right. My book will address both. It is not just about finding him, it is what you do after you find him,” says author Joe Kort. A certified Imago Relationship Therapist, Kort has employed the ideas put forth by Imago founder Harville Hendrix to transform the lives and relationships of the countless gay couples he has worked with in 20 years of private practice. In “Your Sexual Shadow,” one of his new book’s 10 life-altering chapters, Kort unveils a surprising and groundbreaking idea that explores how decoding sexual fantasies can often unlock the mystery to what gay men are looking for in a partner and why. This will be particularly elucidating to men who have been conditioned to believe their sexual fantasies are an obstacle to long-term relationships. How can the secret logic of “dark” sexual desires help you find Mr. Right? “So many of my clients say they have to get better before they find Mr. Right,” reports Kort. “I think that is often a reason to avoid relationships and simply not true.” His new book is a practical guide to set gay men on the path to true love today.

Joe Kort is a therapist in private practice since 1985, specializing in gay-affirmative psychotherapy as well as Imago Relationship Therapy, which is a specific program involving communication exercises designed for couples to enhance their relationship and for singles to learn relationship skills. His first book, *10 Smart Things Gay Men Can Do to Improve Their Lives*, was a national gay and lesbian bestseller.
