AFRICAN PROVERBS: CLASSIC COLLECTION

“When you follow in the path of your father, you learn to walk like him – African Proverb”. One thing I have come to respect about Africa is the treasure of wisdom that is residual in it. African proverbs are rich and have been used by the aged people (elders) to communicate thoughts and important message, sometimes in a witty way.

These words are timeless and deep. Sometimes, it takes simple logic to decipher their meaning, at other times the hidden meanings can only be revealed by deep reflection on them. These immortal words of the elders – words of wisdom, have been carefully arranged on varying topics to inspire you to the best you can possibly be. They are informative, educative and funny, but full of wisdom.
