Do's it have a Hamster?: A correspondence with my grand-daughter Jane McCulloch

This book is a collection of email correspondence I had with my grand-daughter, Issy, between 2009 and 2011. It started when Issy was just eight and finished when she was ten. Unfortunately I poured coffee over my laptop and lost all the correspondence written during 2010! So this book is in two parts, February 2009 to April 2009 and June 2011 to December 2011. I have kept in Issy's sometimes weird spellings because it adds to the charm. I have also copied her interesting layout, just as it arrived on my screen.
