## **Students for a Democratic Society: A Graphic History** Harvey Pekar

By the late 1960s, America felt like it was teetering on the edge of a vast transformation. Helping push it over that edge was a brigade of young radicals, the Students for a Democratic Society, who were fighting the establishment for peace abroad and equality at home. In *Students for a Democratic Society: A Graphic History*, the famed graphic novelist Harvey Pekar, the gifted artist Gary Dumm, the renowned historian Paul Buhle, and a marvelous cast of they-were-there contributors illustrate their struggle, bringing to life the tumultuous decade that first defined and then was defined by the men and women who gathered under the SDS banner.

*Students for a Democratic Society* captures the idealism and activism that drove a generation of young Americans to believe that even one person's actions can help transform the world.
